The Judgemeadow uniform plays a valuable role in contributing to the positive ethos of our College. It instils pride, protects children from social pressures to dress in a particular way and nurtures cohesion. We expect all our parents and carers, along with the students to support our mindset that appropriate uniform allows for a positive learning environment and ensures the image in the wider community is respected and reflects the ethos of our school. Failure to adhere to our School Uniform Policy will result in sanctions in line with our school 's Behaviour Policy.

We will issue further guidelines for this, but request that students dress sensibly and appropriately at all times. The College reserves the right to decide on the suitability of any items of clothing. Should you be unsure about anything, we urge you to contact us before purchasing.
