## Judgemeanow Community College: Provider Access Policy

### 1. Introduction

This policy statement sets out the Trust schools/college arrangements for managing the access of providers to pupils for the purpose of giving them information about the provider's education or training offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

### 2. Statutory requirements

Trust schools/college are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must provide a minimum of 6 encounters with technical education or training providers to all pupils in years 8 to 13 (see more detail in section 2.1 below). One encounter is defined as one meeting/session between pupils and one provider.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#), the [Skills and Post-16 Act 2022](#) and on page 43 of guidance from the Department for Education (DfE) on [careers guidance and access for education and training providers](#).

2.1. Trust schools/colleges will therefore provide at least 6 encounters as follows:

- 2 encounters for pupils during the 'first key phase' (**year 8 or 9**)
  - All pupils must attend
  - Encounters can take place any time during year 10, and between 1 September and 28 February during year 9
- 2 encounters for pupils during the 'second key phase' (**year 10 or 11**)
  - All pupils must attend
  - Encounters can take place any time during year 10, and between 1 September and 28 February during year 11
- 2 encounters for pupils during the 'third key phase' (**year 12 or 13**)
  - Pupils can choose to attend
  - Encounters can take place any time during year 12, and between 1 September and 28 February during year 13

These encounters must happen for a reasonable period of time during the standard school/college day. Trust schools/college can continue to provide complementary experiences, but encounters outside of school hours will not count towards these requirements.

Trust schools/college will ask each provider to provide the following information as a minimum:

- Information about the provider and the approved qualifications or apprenticeships they offer
- Information about what careers those qualifications and apprenticeships can lead to
- What learning or training with the provider is like
- Answers to any questions from pupils

## **2.2. Meaningful provider encounters**

Our schools/colleges are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

## **3. Pupil entitlement**

All pupils in years 8 to 13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

## **4. Management of provider access requests**

### **4.1. Procedure**

A provider wishing to request access should contact Priya Menoni, Careers Leader,

Further assemblies from providers as offered to the school (all years)

### **a. Premises and facilities**

The school/college will make the main hall, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity.

The school/college will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our pupils. We use MS Teams for this usually.
